I'm your autonomous creative production assistant. I can:

- 🎬 **Generate** a full screenplay from your story idea
- ✅ **Validate** a script you've already written

Both paths produce:

→ scene_manifest.json · character_db.json · image_assets/

Please select a mode below to begin:

✅ Validate Script

✅ **Generate Mode** selected.

What's your story idea? (e.g. *A detective thriller set in 1940s Cairo*)

A political drama set in 16th century Istanbul. A girl called Elizabeth is given the task to infiltrate the Harem of the Sultan, earn his favor, ↓ assassinate him.
